### IMPORTANT INFORMATION

- Classes are held in four 8-week sessions and only when school is in session. Classes are not held during holiday breaks or parent conferences.
- Withdrawal from a class must be made before the first class of a session, changes will not be made mid-session.
- Children enrolled in a class will be automatically grandfathered into the next session unless withdrawn. *Except Read to the Core as enrollment is for the entirety of the school year.*
- Children who attend school until within a half-hour of their 2:30 class may stay for Enrichment Pick-Up until their class starts.

**TO REGISTER FOR CLASSES PLEASE EMAIL [CHERI@NEWPORTCOASTPRESCHOOL.COM](mailto:CHERI@NEWPORTCOASTPRESCHOOL.COM)**

# Enrichment Class Descriptions

## Alpha Friends

This course introduces children to Alpha Friends, the phonics program used by Kindergartens in local districts. Letters have a corresponding character and movement which help children to learn phonics by using different types of learning styles: visual, auditory, and kinesthetic. They use their knowledge of the Alpha Friends to put letters together to make sound blends, sound out simple words, and practice writing

## Art Lab

Your child will have the opportunity to create memorable works of art focused on a new artist or method each week. From Jackson Pollack-style paintings to Kandinsky's use of shapes and color, students will be sure to have fun exploring many techniques!

## CORE Athletics

CORE is a youth sports academy devoted to using sports to positively impact children's lives. At CORE, children fine-tune their sport skills in a fun and exciting atmosphere, while being exposed to important life skills. With a low 1:4 coach to student ratio, CORE kids gain skills and progress quickly.

## Early Learners I/II

Using monthly themes, such as transportation, farm, insects etc., Early Learners will expand on vocabulary, visual and fine motor skills in this fun, hands-on class. Mrs. Catherine Lanni has over fifteen years teaching this class to preschoolers where she keeps the class fun, effective and engaging.

## Fine Motor Fun

When given greater exposure to fine motor activities, children show significant improvement in their fine motor skills, which are fundamental to school readiness. Children will strengthen hand muscles, improve hand control and build confidence in fine motor skills.

## Little Chef

Does your child like to help in the kitchen? Little Chefs assist in making a variety of dishes that are easy, tasty, colorful, and kid-friendly! Recipes include main dishes, finger foods, desserts and beverages. Some unfamiliar foods will be introduced, so this class is highly encouraged for those with picky palates.

## Little Moosh موش کوچولو

In this hands-on immersion program, students will celebrate and embrace Iranian culture and native language, Farsi, as they participate in popular folk songs, games, art and engaging activities. The curriculum will include numbers, letters, shapes, calendar skills and so much more while incorporating weekly and seasonal themes including Nowruz. Taught by Miss Cheri M.A. Ed aka *Shahrazad Joon*

## Little Movers & Shakers

Come dance and sing through a fun half-hour with our ever-popular Music Teacher, Mr. Garixe! He plays and sings songs for children to sing along to as they enhance their musical ears and build confidence through participation.

## Little Scholars

Designed for students who will be going off to Kindergarten next year, this class supports and builds upon the foundational skills that boost confidence and academic success. Little Scholars offers study routines, tips for parents and overviews of typical entrance exam scenarios in a small group setting. 1:5 teacher- student ratio.

## Little Scientist

Little Scientists will have a blast as they experience the wonderful world of science! This class introduces vocabulary such as *experiment*, *hypothesis*, *procedure* and *result*. The class will encourage and guide children to ask scientific questions while participating in the process of investigation and making careful observations to explain their results and outcomes.

## Magical Math

Magical Math is a program designed to build a strong foundation of counting, number recognition and patterning. Topics and skills are graphing, measurement, and positional vocabulary. Activities will include whole & small group activities, technology, art, fine and gross motor games.

## Read to the Core

Literacy is the foundation on which academic success is built. Taught by our credentialed Reading Specialist Mrs. Jones M.S. Ed this class includes research-based activities and lessons that build, promote and encourage the growth of the whole child. Focus will include: explicit and systematic phonics instruction, expanding vocabulary, decoding skills, sight word practice, critical thinking, and writing strategies. *Please note that the class will meet TWICE weekly. Enrollment in this class is for all four sessions*

## Successful Little Athletes

Successful Little Athletes, designed and taught by Marti May M.A., M.S. since 1991, focuses on building confidence and large motor skills. Children will use sport as a medium for enhancing confidence, coordination and competency. They will have fun learning new skills that improve performance in sports as well as other areas of day-to-day life.

## Yoga

Start your child's day off right with balance, peace and sun salutations. Students will be introduced to yoga, using imagination and increasing body awareness to explore a variety of poses. Yogis will practice breathing techniques, proper form and explore lots of creative movement, so come stretch with us!
