**REGISTRATION WILL NOT BE ACCEPTED IN PERSON OR OVER THE PHONE**

# Enrichment Class Descriptions

## Alpha Friends

This course introduces children to Alpha Friends, the phonics program used by Kindergartens in local districts. Letters have a corresponding character and movement which help children learn phonics by using different learning styles: visual, auditory, and kinesthetic. They use their knowledge of the Alpha Friends to put letters together to make sound blends, sound out simple words, and practice writing.

## Art Lab

Your child will have the opportunity to create memorable works of art focused on a new artist and process each week. From Jackson Pollack-style paintings to Kandinsky's use of shapes and color, children will be sure to have fun exploring the many techniques!

## Early Learners I/II

Early Learners will expand on vocabulary, visual and fine motor skills in this fun hands-on class. created by Mrs. Catherine Lanni. With over fifteen years teaching this class to preschoolers, she keeps the class fun, effective and engaging.

## Fine Motor Fun

Children show significant improvement in their fine motor skills, which are fundamental to school readiness, when they participate in specific activities. This class will help strengthen hand muscles, improve hand control and build confidence in fine motor skills through thematic games and activities.

## Foundation Station

Building a strong core and working fine and gross motor skills are the FUNDation to success in the classroom. Children will develop these skills as they rotate through table and carpet play-based stations in this engaging and active-learning based class.

## Hobby Lobby

Come get creative with us while learning a new crafting technique every week! Activities include sewing, gardening, painting, scrapbooking, bracelets, paper crafting, and so much more!

## Kindergarten Skills

This summer program taught by our credentialed reading specialist, Mrs. Jones M.S. Ed. closes the gap in your child's learning cycle as they transition from Jr. K/Kindergarten into first grade. Students will expand on the necessary skills to be successful in mathematics, reading and writing comprehension as well as social-emotional development. To be eligible students must have completed one year of either Junior Kindergarten or Kindergarten and will meet twice weekly for both sessions of summer.

## Little Chef

Does your child like to help in the kitchen? Little Chefs assist in making a variety of dishes that are easy, tasty, colorful, and kid-friendly! Recipes include main dishes, finger foods, desserts and beverages. Some unfamiliar foods will be introduced, so this class is highly encouraged for those with picky palates.

## Little Moosh

Students will celebrate and embrace the Iranian culture and native language, Farsi, as they participate in popular folk songs, games, art and stories. The curriculum will include calendar skills, numbers, letters and shapes while also incorporating weekly and seasonal themes. Taught by Miss Cheri M.Ed.

## Movers & Shakers

Come dance and sing your way through a fun half-hour with our popular music teacher, Mr. Garixe! He plays and sings songs for children to sing along to as they enhance their musical ears and build confidence through participation.

## Little Scholars

Support and build upon the foundational skills that boost confidence and academic success in reading, writing and mathematics. Little Scholars offers study routines, tips for parents and overviews of typical school entrance exam scenarios in a small group setting. 1:5 ratio.

## Little Scientist

Little Scientists will have a blast as they experience the wonderful world of science! This class introduces vocabulary terms such as experiment, hypothesis, procedure and result. Students will be encouraged to ask scientific questions while participating in the process of investigation and making careful observations to explain their results and outcomes.

## Read to the Core

Literacy is the foundation on which academic success is built. Taught by our credentialed Reading Specialist Mrs. Jones M.S. Ed., this class includes research-based activities and lessons that build, promote and encourage the growth of the whole child. Focus will include: explicit and systematic phonics instruction, expanding vocabulary, decoding skills, sight word practice, critical thinking, and writing strategies. *\*Please note that the class will meet twice weekly and lasts 8 weeks.*

## Speech/Occupational Therapy Services

NCCDP is excited to partner with **Valued Voices** to offer small group Speech and Occupational Therapy services here on campus! Sholeh Shahinfar CCC-SLP and Kaelyn Green M.A. OTR/L from the Valued Voices team will work together to help your child reach their developmental milestones and support your child's speech, language and/or occupational needs. 1:5 ratio

## Tiny Dancers

In this movement-centered class, students will be exposed to various styles of dance including ballet, hip-hop, and jazz. Fun upbeat music and props will be used to engage students' creativity as they develop their mind-body connection and confidence!

## Yoga

Start your child's day off right with balance, peace and sun salutations. Students will be introduced to yoga, using imaginations and increasing body awareness to explore a variety of poses. Yogis will practice breathing techniques, proper form and creative movement, so come stretch with us!
