

Summer 2023 Enrichment Class Descriptions

- Registration **must** be done online and is on a **first-come first-serve basis**.
- Summer Enrichment classes are held in 2 sessions. Children may be enrolled in one or both sessions— **no automatic reenrollment**.
- Classes will be held only on days when regular school is in session, there will be no classes on Tues & Wed, July 4 & 5 (classes will be prorated)
- Enrollment changes will only be accepted prior to the start of the new session.
- Children who attend school until within 30 minutes of their enrichment class may stay for free-play supervised by NCCDP staff until class starts.

P E	Yoga	Yoga class is all about movement, stretching and practicing mindfulness. Yogis will explore new yoga poses, discover different breathing exercises and learn new stretching techniques. The main objectives of this morning class are to practice slowing down, to engage with breath and to grow in yoga knowledge.
Valued Voices	Occupational Therapy	NCCDP is excited to partner with Valued Voices to offer small group Speech and Occupational Therapy services here on campus! The Valued Voices team will work together to help your child reach their developmental milestones and support your child's speech, language and/or occupational needs. 1:5 ratio
	Speech Therapy	
Language	Little Moosh موش کوچولو	Students will celebrate and embrace the Iranian culture and native language in this introductory course. Little Mooshes will learn popular folk songs, games and stories. The curriculum will include calendar skills, numbers, letters and shapes while also incorporating weekly and seasonal themes.
	¡Mis Amigos!	This introductory Spanish class will follow a typical preschool pattern including an introductory song, counting attendance, "feelings" check-in, plus Spanish music and dances such as salsa, cumbias or samba! Story Time and Art will tie into a weekly theme such as: colors, animals, body parts, places & family members.
S T E A M	Fine Motor Fun	Developing fine motor skills is essential for confidence in handwriting. This class will combine gross (large) and fine (small) motor skill activities to engage students. Gross motor activities will build balance and core strength; rotating through table activities will encourage students to work on pencil grasp, posture and scissor skills.
	Garden Explorers	Little Gardeners will explore the basics of gardening and answer the questions: How do plants grow? When and how do we plant seeds? What are garden pests and how do we control them?
	Hobby Lobby	Come get creative with us while learning a new crafting technique every week! Activities include stitching, gardening, painting, scrapbooking, bracelets, paper crafting, and so much more!
	Little Chef	Little Chefs assist in making a variety of dishes that are easy, tasty, colorful, and kid-friendly! Recipes include main dishes, finger foods, desserts and beverages. Some unfamiliar foods will be introduced, so this class is highly encouraged for those with picky palates. <i>*Students with food allergies are not a good fit for this class.</i>
	Little Scientist	Little Scientists will be introduced to the thrill of scientific discovery using simple experiments, demonstrations, data collection/analysis and more!
	Magical Math	Through games and interactive activities, students will explore math concepts and enhance skills that play a role in everyday life! Activities include gaining number sense, shapes, measurement, patterning and classification to strengthen critical thinking and reasoning - all while having fun!
	Movers & Shakers	Come dance and sing your way through a fun half-hour with our popular music teacher, Mr. Garixe! He plays and sings songs for children to sing along as they enhance their musical ears and build confidence through participation.
	Tiny Dancer	In this movement-centered class, students will be learn various styles of dance including ballet, hip-hop, and jazz. Fun upbeat music and props will be used to engage students' creativity as they develop their mind-body connection and a love for movement and dance!
Literacy	Alpha Friends	This course introduces children to Alpha Friends, the phonics program used by Kindergartens in local districts. Letters have a corresponding character and movement which help children learn phonics by utilizing visual, auditory, and kinesthetic learning styles. Students will build a written and art portfolio throughout the year.
	Early Learners	The summer course will focus on vocabulary, verbal reasoning skills, auditory processing and building fine motor skills. Curriculum will be differentiated to properly challenge each student in the areas of literacy using Writer's Workshop techniques and fine motor skills following the Learning Without Tears program.
	Little Scholars	Support and build upon the foundational skills that boost confidence and academic success in reading, writing and mathematics. Little Scholars offers study routines, tips for parents and overviews of typical school entrance exam scenarios in a small group setting. 1:5 ratio
	Read to the Core	Literacy is the foundation on which academic success is built. Developed and taught by our credentialed Reading Specialist Mrs. Jones <small>M.S.Ed.</small> , this class will include explicit and systematic phonics instruction, expanding vocabulary, decoding skills, sight word practice, critical thinking, and writing strategies. <i>*Please note that the class will meet twice weekly.</i>
