# Summer 2024

## Enrichment Class Descriptions

Session 1: June 25 – July 18

Session 2: July 22 – August 15

| Class                | Description   |
|----------------------|---|
| Read to the Core     | Developed and taught by our credentialed Reading Specialist Mrs. Jones, this class will include explicit and systematic phonics instruction, expanding vocabulary, decoding skills, sight word practice, critical thinking, and writing strategies. <i>*Please note that the class will meet twice weekly.</i>                    |
| Magical Math         | Through games and interactive activities, students will explore math concepts and enhance skills that play a role in everyday life! Activities include gaining number sense, shapes, measurement, patterning and classification to strengthen critical thinking and reasoning - all while having fun!                             |
| World Travelers      | This class is designed for children to explore the rich diversity of states, countries and cultures, fostering global awareness and understanding. Travelers will embark on an exciting 'journey' to broaden their horizons and cultivate a deeper appreciation for the world around them.  |
| Occupational Therapy | NCCDP is excited to partner with Valued Voices to offer small group Speech and Occupational Therapy services here on campus! The Valued Voices team will work together to help your child reach their developmental milestones and support your child's speech, language and/or occupational needs. 1:5 ratio                     |
| Tiny Fine Motor Fun  | This class will combine gross (large) and fine (small) motor skill activities to engage students. Gross motor activities will build balance and core strength; rotating through table activities will encourage students to work on pencil grasp, posture and scissor skills.   |
| Garden Explorers     | Little Gardeners will explore the basics of gardening and answer the questions: How do plants grow? When and how do we plant seeds? What are garden pests and how do we control them?   |
| Little Chefs         | Chefs will make a variety of recipes including main dishes, finger foods, desserts and beverages that are easy, tasty, colorful, and kid-friendly! Some unfamiliar foods will be introduced, so this class is a good option for those with picky palates. <i>*Students with food allergies are not a good fit for this class.</i> |
| Little Scholars      | Support and build upon the foundational skills that boost confidence and academic success in reading, writing and mathematics. Little Scholars offers study routines, tips for parents and overviews of typical school entrance exam scenarios in a small group setting. 1:5 ratio  |
| Little Scientists    | Little Scientists will be introduced to the thrill of scientific discovery using simple experiments, demonstrations, data collection/analysis and more!   |
| Mis Amigos           | This introductory Spanish class will follow a typical preschool pattern including an introductory song, counting attendance, "feelings" check-in, stories and art, plus Spanish music and dances such as salsa, cumbias or samba!   |
| Yoga                 | Yogis will explore new yoga poses, discover different breathing exercises and learn new stretching techniques. The main objectives of this morning class are to practice slowing down, to engage with breath and to grow in yoga knowledge.   |
| Alpha Friends        | This course introduces children to Alpha Friends, where letters have a corresponding character and movement which help children learn phonics by utilizing visual, auditory, and kinesthetic learning styles. Students will build a written and art portfolio throughout the year.  |
| Early Learners       | EL1 helps children build vocabulary with games and activities to support auditory processing, verbal reasoning, fine motor skills and math comprehension. EL2 continues this trajectory by challenging students to develop overall Kinder readiness and prepare students for private entrance exams.                              |
| Movers & Shakers     | Come dance and sing your way through a fun half-hour with our popular music teacher, Mr. Garixel! He plays and sings songs for children to sing along as they enhance their musical ears and build confidence through participation.  |
| Little Photographers | Photographers will learn the basics of camera operation. They'll work on projects that will explore concepts such as light/dark, far/near, color composition, etc... and even learn about some famous photographers!  |
| Breakfast Chefs      | Chefs will make a variety of recipes including main dishes, finger foods, desserts and beverages that are easy, tasty, colorful, and kid-friendly! Some unfamiliar foods will be introduced, so this class is a good option for those with picky palates. <i>*Students with food allergies are not a good fit for this class.</i> |
| All that Dance       | In this movement-centered class, students will be learn various styles of dance including ballet, hip-hop, and jazz. Fun upbeat music and props will be used to engage students' creativity as they develop their mind-body connection and a love for movement and dance!   |
| Fine Motor Fun       | This class will combine gross (large) and fine (small) motor skill activities to engage students. Gross motor activities will build balance and core strength; rotating through table activities will encourage students to work on pencil grasp, posture and scissor skills.   |
| Speech Therapy       | NCCDP is excited to partner with Valued Voices to offer small group Speech and Occupational Therapy services here on campus! The Valued Voices team will work together to help your child reach their developmental milestones and support your child's speech, language and/or occupational needs. 1:5 ratio                     |
| CORE Athletics       | CORE is a youth sports academy devoted to using sports to positively impact children's lives. At CORE, children fine-tune their sport skills in a fun and exciting atmosphere, while being exposed to important life skills. With a low 1:4 coach to student ratio, CORE kids gain skills and progress quickly.                   |
| Tiny Chefs           | Chefs will make a variety of recipes including main dishes, finger foods, desserts and beverages that are easy, tasty, colorful, and kid-friendly! Some unfamiliar foods will be introduced, so this class is a good option for those with picky palates. <i>*Students with food allergies are not a good fit for this class.</i> |
| Hobby Lobby          | Come get creative with us while learning a new crafting technique every week! Activities include stitching, gardening, painting, scrapbooking, bracelets, paper crafting, and so much more!   |

- ☞ Registration must be done online and is on a first-come first-serve basis.
- ☞ Summer Enrichment classes are held in 2 sessions. Children may be enrolled in one or both sessions—no automatic
- ☞ Classes will be held only on days when regular school is in session, there will be no classes on Wed & Thur, July 3 & 4
- ☞ Enrollment changes will only be accepted prior to the start of the new session.
- ☞ Children who attend school until within 30 minutes of their enrichment class may stay for supervised play until class
