Enrichment Class Descriptions

Session 1: September 15 – November 7
Session 2: November 10 – January 16

Session 3: January 19 – March 20
Session 4: March 23 – May 22

Class Description

Read to the Core	Developed and taught by our credentialed Reading Specialist Mrs. Jones, this class will include explicit and systematic phonics instruction, expanding vocabulary, decoding skills, sight word practice, critical thinking, and writing strategies. <i>*Please note that the class will meet twice weekly.</i>
Magical Math	Through games and interactive activities, students will explore math concepts and enhance skills that play a role in everyday life! Activities include gaining number sense, shapes, measurement, patterning and classification to strengthen critical thinking and reasoning – all while having fun!
Sensory Explorers	Where learning the ABCs and 123s comes to life through sight, sound, touch, taste and movement! In this immersive class, little ones will dive into the alphabet and numbers in the most interactive and engaging ways possible to enhance both cognitive and physical development.
Little Athletes	Coach Marti's Successful Little Athletes will learn to achieve success in sports and building confidence by learning correct form, putting forth a best effort, and overcoming the fear of failure. Some of the sports we will cover are soccer, T-ball, hockey, lacrosse and tennis.
Occupational Therapy	NCCDP is excited to partner with Valued Voices to offer small group Speech and Occupational Therapy services here on campus! The Valued Voices team will work together to help your child reach their developmental milestones and support your child's speech, language and/or occupational needs. 1:5 ratio
Social Club	Taught by Kristin Taylor MA, OTR/L, Rad Kids Social Club is a fun and supportive social skills class where kids learn to build friendships, communicate with confidence, and manage emotions through games, role-play, and group activities. The club helps children grow socially while having a blast with peers in a safe, encouraging
Little Scholars	Support and build upon the foundational skills that boost confidence and academic success in reading, writing and mathematics. Little Scholars offers study routines, tips for parents and overviews of typical school entrance exam scenarios in a small group setting. 1:5 ratio
Little Chef	Chefs will make a variety of recipes including main dishes, finger foods, desserts and beverages that are easy, tasty, colorful, and kid-friendly! Some unfamiliar foods will be introduced, so this class is a good option for those with picky palates. <i>*Students with food allergies are not a good fit for this class.</i>
Little Scientist	Little Scientists will be introduced to the thrill of scientific discovery using simple experiments, demonstrations, data collection/analysis and more!
Yoga	Yogis will explore new yoga poses, discover different breathing exercises and learn new stretching techniques. The main objectives of this morning class are to practice slowing down, to engage with breath and to grow in yoga knowledge.
Mis Amigos	This introductory Spanish class will follow a typical preschool pattern including an introductory song, counting attendance, "feelings" check-in, stories and art, plus Spanish music and dances such as salsa, cumbias or samba!
Little Travelers	This class is designed for children to explore the rich diversity of states, countries and cultures, fostering global awareness and understanding. Travelers will embark on an exciting "journey" to broaden their horizons and cultivate a deeper appreciation for the world around them.
Phonics Fun	Phonics Fun is an engaging class using songs, games, and activities to build a strong foundation for reading and writing skills to make learning letter recognition, letter sounds and writing letters a lot of fun. Students will be creating an illustration using NCCDP's Alphabet Chart and motions for each letter that will be put into a portfolio for
Early Learners	EL1 helps children build vocabulary with games and activities to support auditory processing, verbal reasoning, fine motor skills and math comprehension. EL2 continues this trajectory by challenging students to develop overall Kinder readiness and prepare students for private entrance exams.
Movers & Shakers	Come dance and sing your way through a fun half-hour with our popular music teacher, Mr. Garixel! He plays and sings songs for children to sing along as they enhance their musical ears and build confidence through participation.
NC Spirit	Designed and taught by Miss Kelly, a certified Youth Fitness Specialist, to introduce children to the exciting world of dance and cheer! This class will combine basic technique and movement with fitness activities and games to foster coordination, rhythm, teamwork, self-expression, balance and flexibility.
Handwriting without Tears	A fun and engaging class, offering multi-sensory lessons to help build fluency in your child's handwriting! We will focus on fine motor strength, correct pencil grasp, spatial and body awareness, and proper letter formation.
Little Artist	Ignite your child's imagination in this process-based art class, where creativity comes to life! Students will explore all art forms from painting and drawing to sculpting with clay and other 3-dimensional masterpieces. Watch your Little artist grow through fun, hands-on exploration that fosters creativity and confidence while building a strong
Tiny Fine Motor Fun	This class will combine gross (large) and fine (small) motor skill activities to engage students. Gross motor activities will build balance and core strength; rotating through table activities will encourage students to work on pencil grasp, posture and scissor skills.
Breakfast Chef	Chefs will make a variety of recipes including main dishes, finger foods, desserts and beverages that are easy, tasty, colorful, and kid-friendly! Some unfamiliar foods will be introduced, so this class is a good option for those with picky palates. <i>*Students with food allergies are not a good fit for this class.</i>
Garden Explorers	Little Gardeners will explore the basics of gardening and answer the questions: How do plants grow? When and how do we plant seeds? What are garden pests and how do we control them?
Fine Motor Fun	This class will combine gross (large) and fine (small) motor skill activities to engage students. Gross motor activities will build balance and core strength; rotating through table activities will encourage students to work on pencil grasp, posture and scissor skills.
Speech Therapy	NCCDP is excited to partner with Valued Voices to offer small group Speech and Occupational Therapy services here on campus! The Valued Voices team will work together to help your child reach their developmental milestones and support your child's speech, language and/or occupational needs. 1:5 ratio
CORE Athletics	CORE is a youth sports academy devoted to using sports to positively impact children's lives. At CORE, children fine-tune their sport skills in a fun and exciting atmosphere, while being exposed to important life skills. With a low 1:4 coach to student ratio, CORE kids gain skills and progress quickly.
All that Dance	In this movement-centered class, students will be learn various styles of dance including ballet, hip-hop, Latin and jazz. Fun upbeat music and props will be used to engage students' creativity as they develop their mind-body connection and a love for movement and dance!
Game Time	Game Time is designed to foster social interaction, critical thinking and early learning skills while encouraging teamwork and friendly competition. Students are introduced to a variety of fun, engaging and age-appropriate board games, ranging from matching & memory games to simple strategy games to develop different skills in a playful

- Registration must be done online for Session I and is on a first-come first-serve basis.
- Students will be automatically grandfathered into the next session unless withdrawn by parent.
- Withdrawal from a class must be made before the first class of a session, changes will not be made mid-session.
- Children who attend school until 2:00 class may stay for Enrichment Pick-Up until their class starts at 2:30.
- Class will only be held on days when regular school is in session, there will be no classes on holidays or during breaks.
